TRADE COLLECTION

POWER, BEAUTIFULLY SUPPLIED.

BATTERIES • SOLAR • HYBRID INVERTERS

eibattery.com.au

Trade supply. Personal service.

EI Battery Solutions supplies battery storage, solar panels and hybrid inverters to registered electrical contractors and approved builders. Choose individual equipment or a defined solar kit, with help arranging trade quotations, freight and collection.

Equipment supply

Dyness batteries, Cygni integrated systems, Risen panels, Solis and Solinteg inverters, modules and associated components.

Trade quotations

Individual products and defined equipment kits, with models, quantities and agreed inclusions listed in your quotation.

Freight and collection

Australia-wide freight arrangements. Collection by prior confirmation; goods must be paid for and ready before attending.

Product and warranty support

Product documentation and assistance coordinating manufacturer warranty enquiries through your purchasing electrical contractor.

Pemulwuy NSW 2145

Arrange collection with EI Battery before attending. Goods must be allocated, paid for and ready at the nominated dispatch point. Freight arrangements and delivery charges are confirmed with your quotation.

0414 662 445 | admin@eibattery.com.au

Clear terms. Confident ordering.

01 Eligible trade customers

Wholesale supply to registered electrical contractors and approved builders. Builders must engage appropriately licensed electrical contractors for installation.

02 Pricing and acceptance

AUD pricing; GST shown separately. Availability, final price and agreed inclusions are confirmed when the order is accepted. No rebates are deducted.

03 Payment and release

Payment in full is required before goods are released or dispatched. Account registration does not grant credit or finance.

04 Equipment only

Freight, installation, labour, mounting, cabling, protection, metering and commissioning are separate. EI Battery supplies equipment; the licensed contractor completes the site design and installation.

05 Delivery, returns and warranty

Delivery timing depends on stock, freight and destination. Report damage, shortages or incorrect goods promptly with the order number and photos. Changes or cancellations require agreement. Product-specific manufacturer warranty terms apply; applicable statutory rights remain unchanged.
