Prices as at 21 October 2026. Freight additional. Equipment supply only. Prices and availability confirmed at order.

EI BATTERY

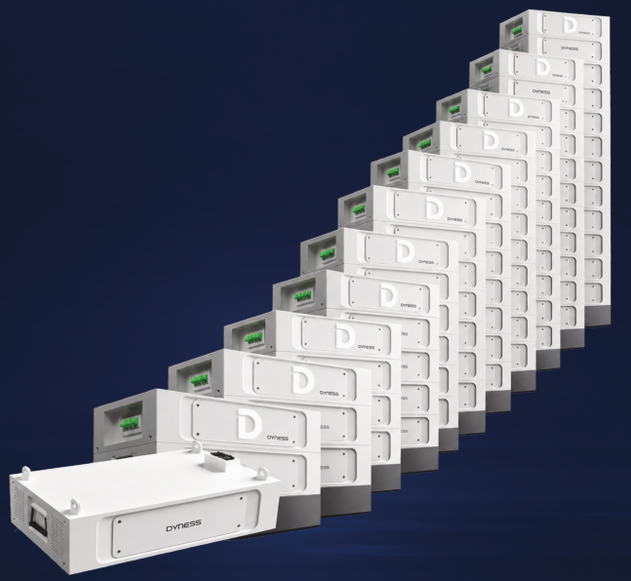

ABOUT EI BATTERY SOLUTIONS

Trade supply. Personal service.

EI Battery Solutions supplies battery storage, solar panels and hybrid inverters to registered electrical contractors and approved builders across Australia.

Choose individual equipment or a defined solar kit. We help with trade quotations, product documentation, freight and collection arrangements.

MODULAR BATTERY STORAGE

Battery systems in a range of configurations. Ask us about the equipment options for your next project.

Equipment supply only. Freight and installation separate.

YOUR NEXT PROJECT.

POWERED BY EI BATTERY.

Choose your kit.

EX GST / INCL GST | AUD

Cygni M4

$6,620

Single phase

S7,282.00 incl GST

15.36 kWh battery | 6.30 kWp solar

10 x Risen 630 W panels | Integrated Cygni 10 kW

Cygni M8

$11,870

Single phase

S13,057.00 incl GST

30.72 kWh battery | 13.23 kWp solar

21 x Risen 630 W panels | Integrated Cygni 10 kW

STACK100 Pro 3S

$6,265

Single phase

S6,891.50 incl GST

15.36 kWh battery | 6.30 kWp solar

10 x Risen 630 W panels | Solinteg MHS-5K-30

STACK100 Pro 6S

$11,870

Single phase

S13,057.00 incl GST

30.72 kWh battery | 13.23 kWp solar

21 x Risen 630 W panels | Solinteg MHS-8K-30

STACK100 Pro 4S

$9,365

Three phase

S10,301.50 incl GST

20.48 kWh battery | 10.08 kWp solar

16 x Risen 630 W panels | Solis 10 kW HV

STACK100 Pro 6S

$13,010

Three phase

S14,311.00 incl GST

30.72 kWh battery | 13.23 kWp solar

21 x Risen 630 W panels | Solis 15 kW HV

PowerBox G2 x 3

$17,890

Three phase

S19,679.00 incl GST

30.72 kWh battery | 30.24 kWp solar

48 x Risen 630 W panels | Solis three-phase LV

Prices as at 21 October 2026. Equipment only. Freight and installation separate. Final configuration and availability confirmed with your quotation.
